## EXTRA HYGIENE KILLS 99.9% GERMS AND BACTERIA

The eXtra Hygiene cycle is designed to provide optimal cleaning and drying results, while guaranteeing extraordinary hygiene with its special extra-hot 72 °C rinse. The Indesit eXtra collection has many unique features designed to simplify your life. Remove the top basket from your eXtra dishwasher to enjoy a spacious 53cm interior, for example. And innovative hydraulic technology will remove even the toughest stains and food debris, so you can always enjoy clean dishes.
