

MHN33PNCGW

Commercial Laundry Front Load

Heating type: Electric
Maximum spin speed (rpm): 1000
Loading capacity (kg): 15
Type of control: Electronic
Number of programmes: 5
Net weight (kg): 107
Electrical connection rating (W): 400
Voltage (V): 220-240
Frequency (Hz): 50
Drum volume (L): 88
Noise level spinning (dBA): 58
Drum material: Stainless steel
Type of User Interface: Digit
