WATER BALANCE PLUS + MIXED COLOURED 40

By adapting the amount of water used according to the cycle's need, there's minimal wastage which helps save money on your bills.

The Mix Coloured 40 cycle allows you to wash mixed coloured garments safely and effectively at 40°, in less than one hour. Enjoy clean, vivid colours, always.

The Cotton 60 programme provides great washing results for your cotton items at 60°, in just 59 minutes.
