

MAESTRO RFD 77820 GBK

French Door No Frost refrigerator with energy A++ in 190 cm

Inverter motor

Quick refrigeration and freezing

Gourmet Box with Touch control

Anti-bacterial system

Energy class A++

Filter - Capacity (Litres): 500

LongLife No Frost with 3 independent circuits

No Frost In Refrigerator Compartment : Yes

No Frost in chiller : Yes

No Frost in freezer compartment : Yes

Freezing capacity: 13

Chilling Compartment Capacity (litres): 31

Total gross capacity (litres): 537

Refrigerator compartment capacity (litres): 304

Energy Efficiency Class: A++

Temperature Rise Time (h): 15

Freezer compartment capacity (litres): 165

Climate class: T

Freezer classification: 4

FRESHNESS IN YOUR FOOD

LongLife No Frost technology will keep your food fresh for a longer time, thanks to independent recirculation circuits. You can keep the best moisture in your fridge with this system and also prevent ice and rost, so your food will remain fresh for a long time.

Less consumption and more silence with the high efficiency A++ motor inverter.

This engine produces less friction to reduce any noise and it is also more durable and environmentally friendly.
