PUSH&GO FUNCTION MAKES LIFE EASIER AND FAST 45' FASTER

Indesit knows its consumer's needs well: guaranteed results, efficiency and protection.

Push and go function make your drying experience more easier, 2 seconds will turn your dryer on and start drying without any extra efforts.

Our main goal is to make life easier, faster, and more effective, to give you more time to spend with your family. PUSH&GO function helps all ages to use Indesit products starting from 7 to all olders.

The Fast45 program dries your clothes in just 45 minutes, so you have all your last-minute needs ready!
